

Say “NO!”

to liberal gun-grabbers and stupid gun laws.

If you're fed up with confusing and oppressive gun laws...
If you've had enough of gun-free “victim zones” that make people helpless...
If you're angry about newspapers printing CCW license holder names...
If you're sick and tired of anti-gun groups assaulting your 2nd Amendment rights...

Then it's time for you to stand up and tell Ohio lawmakers how you feel.
And **Buckeye Firearms Association** will help you do it.

We're Ohio's #1 nonpartisan, grassroots political action committee.
We're dedicated to electing pro-gun candidates and improving gun laws for sport,
hunting, and self-defense. And we're your “bull horn” in the Ohio legislature.
Support our work, and we'll make sure you're heard LOUD AND CLEAR!
