**How to find your district for each race:**

For statewide races, such as Supreme Court Justice, just vote for the candidates we have suggested. However, you need to know what “district” you live in for certain races, including U.S. House, Ohio Senate, Ohio House, and Ohio Court of Appeals. For each race, locate your county on the appropriate map and use the district number to find the pro-gun candidate on the front of this guide.

Example: Let’s say you live in Wood County. On MAP 2 for Ohio Senate, Wood County is District 02. To find your pro-gun candidate for Senator, go to the list of Ohio Senate candidates on the front of this guide and find District 02. In this case, your pro-gun candidate is Mark Wagoner (R). Repeat this with each race to find all your pro-gun candidates. Circle each candidate and take this guide when you vote.
