**How to find your district for each race:**

For statewide races, such as Attorney General, just vote for the candidates we have suggested. However, you need to know what “district” you live in for certain races, including U.S. Congress, Ohio Senate and House of Representatives, and Court of Appeals. For each race, locate your county on the appropriate map and use the district number to find the pro-gun candidate on the front of this guide.

Example: Let's say you live in Perry County. On MAP 2 for Ohio Senate, Perry County is District 31. To find your pro-gun candidate for Senator, go to the list of Ohio Senate candidates on the front of this guide and find District 31. In this case, your pro-gun candidate is Tim Schaffer (R). Repeat this with each race to find all your pro-gun candidates. Circle each candidate and take this guide when you vote.
