

# Mike wants to be the leading law enforcement officer in Ohio

The same Mike DeWine who was **thrown out of his U.S. Senate seat** by voters in 2006, after running around sporting a Brady Campaign to Prevent Gun Violence (formerly Handgun Control Inc.) endorsement because “his record really wowed the group.”

The same Mike DeWine who Human Events Online named **among the Top 10 anti-gun U.S. Senators**, noting that he was “consistently the only Republican to speak in favor of anti-2nd Amendment legislation on the Senate floor.”

The same Mike DeWine who, shortly before his defeat in 2006, took a position in **opposition to legislation to protect gun manufacturers, distributors, dealers or importers** from frivolous lawsuits designed to put them out of business.

The same Mike DeWine who consistently **cast his votes on the side of the most rabid anti-gun Democrats** in the Senate.

The same Mike DeWine who, in 1999, **voted yes to requiring background checks on all guns sold at guns shows** and voted against more penalties for drug and gun crimes in 1999.

The same Mike DeWine who is running as pro-gun despite his **anti-gun record, similar to Bob Taft** who claimed to be pro-gun and then stabbed gun owners in the back by actively working to bottle up legal concealed carry.

**Mike wants to be Ohio's Attorney General.  
But is that what YOU want?**
