

2nd Amendment Advocate

Rob Portman is a conservationist and an avid outdoorsman. He is a lifelong hunter and fisherman, and a gun owner who believes in the right to bear arms in defense of self, family and property. During his 12 years serving in Congress, the National Rifle Association gave him an A rating for his votes to defend our Constitutional Rights. As Ohio's next Senator Rob will continue to protect our Constitutional freedoms and will be a strong advocate for preserving these rights and traditions for future generations.

Rob Portman National Rifle Association Ratings

- Rob voted against the so-called "assault weapons ban."
- Rob voted to repeal the Clinton gun ban.
- Rob voted against the Brady Bill
- Rob voted for a bill that would have restored District of Columbia residents the right to possess firearms in their homes or businesses.
- Rob voted to protect firearm and ammunition manufacturers, dealers or importers from lawsuits and damages related to criminal misuse by a third party.
- Rob voted to protect the rights and freedoms of hunters and developed an executive order that the president signed to enhance hunting and fishing opportunities at wildlife refuges and national preserves.
- Rob voted to protect the private information of gun owners and to protect state gun laws.
