**Subject:** Protecting Your 2nd Amendment Rights - Support John Kasich

The right to keep and bear arms is one of our most important Constitutional rights. **That's why, as Ohio's strongest supporters of the Second Amendment, we support John Kasich for governor.**

We are asking you to send this email to 10 other strong Second Amendment supporters so we can set the record straight.

We know that John Kasich will be a strong defender of our right to keep and bear arms. He is a gun owner himself, [has been endorsed by the NRA in the past, has received financial contributions from the NRA in the past, and this year received a "B" rating from the NRA.](#) He will be our ally in the Governor's Office.

**Ted Strickland likes to talk about how much he supports gun rights but why did he twice select running mates who are avowed enemies of gun owners?**

His first running mate, Lee Fisher, was a board member of Handgun Control Inc.

His second running mate, Yvette McGee-Brown, admitted the day she was announced—while standing next to Strickland himself—that she opposed his views on guns. Yvette McGee-Brown was given an "F" rating by the NRA this year—an "F"!

Unlike Ted Strickland, John Kasich put his beliefs into action by picking a [running mate who shares his support for gun owners' rights, Auditor of State Mary Taylor.](#) Mary has an "A" rating from the NRA, she and her family are shooting enthusiasts, and she is an accomplished trap shooter herself.

**John Kasich and Mary Taylor will make a strong, unified stand for gun owners in Ohio.**

No one can say the same thing about Ted Strickland and either of his anti-Second Amendment running mates.

A lot of political attacks are flying right now and they are coming from Ted Strickland and his allies. They will do anything to cling to their pro-bureaucrat, pro-tax, pro-spending agenda. Their shameless attacks [against John Kasich and their attempts to distort his support for the Second Amendment](#) are just another way they want to distract voters from Ted Strickland's own failures.

Do not be fooled by these attacks. Ted Strickland has never had a unified Administration in support of the Second Amendment. [John Kasich, however, is a strong supporter of the Second Amendment and he and Mary Taylor will be a unified front in support of gun owners.](#) As

legislators who have earned the National Rifle Association's highest ratings, we are willing to stake our reputations on it.

Sincerely,
