

State Representative Ross McGregor Voted for Guns on School Grounds and Less Funds for Schools

Schools should be a sanctuary where children are free to learn and are safe from violence. So why would Ross McGregor vote yes on **Senate Bill 184** to allow **guns on school grounds**¹ and put them in the line of fire? Probably the same reason why he **opposed more funds for education**.² Who votes for more guns in schools and less funds for schools? Ross McGregor. **Fire McGregor.**

Senate Bill 184

School/Guns*

YES VOTE
ROSS MCGREGOR

Why would our representative Ross McGregor vote to make it easier to bring guns onto our children's school grounds? McGregor voted for Senate Bill 184 that allows guns onto school property¹ where our children learn and play. Even worse? McGregor opposed more funds for our children's education.²
